SIR,

Subject Item No 10 of the Dewan's Tour Notes subjects of April 1941

I have the honour to state that it was observed by the Dewan during his last tour in this District in April 1941, that the shop building in the northwest corner of the compound of the Maternity Hospital at Holenarsipur may be acquired and demolished

The Municipal Council who were asked to take further action in the matter have resolved at their meeting held on 29-6-41 that the poor financial condition of the Municipality does not admit of an expenditure of Rs 2550/- on this account I may also add that the Budget of this Municipality as sanctioned by Government stands at a minus figure (-Rs 5873)

The same question of acquiring and demolishing the buildings having come up in the Dewan's Tour Notes of 1936, orders of Government were received with Development Secretary's letter No L 4104/Ml 44-36 dated 9-12-1936 to the effect that the matter might be dropped in view of the poor financial condition of the Municipality

I request, therefore, that orders of Government may kindly be obtained to drop the matter or the cost of acquisition sanctioned as a special case from the Town Improvement grants for the current year

The
